February Festivities

February is here, bringing a month filled with meaningful moments, cultural celebrations, and plenty of opportunities to come together as a community.

We'll be recognizing Black History Month throughout February, taking time to reflect, and celebrate the rich history.

Our Bus Trip takes place on February 10th, offering a chance to get out, enjoy a change of scenery.

On February 11th, we're looking forward to a BGMS Visit, bringing some extra energy and connection into our community.

Love is in the air as we host our Valentine's Day Tea on February 12th, a lovely afternoon to enjoy sweet treats, warm drinks, and great company.

We'll also be recognizing Family Day on February 16, a special time to celebrate connection, togetherness, and the people who mean the most to us.

February also brings several important cultural celebrations. On February 17th, we'll be recognizing Chinese New Year, Mardi Gras, and the beginning of Ramadan, taking time to appreciate the traditions, meanings, and diversity each of these occasions represents.

We'll wrap up the month by celebrating our February birthdays on February 19th with treats, music, and plenty of birthday cheer. We're also excited to welcome Duo Del Mar, who will be joining us with live entertainment to help make the celebration extra special!

Diner's Club will also be happening later in the month — a favourite opportunity to enjoy good food, and great conversation.

We're excited to share another wonderful month together and look forward to all the memories we'll make along the way.

Reflecting on January

Although much of January was spent under protocols, we were still able to come together for a special moment that helped us start the new year on a high note. One of the highlights of the month was our New Year's celebration, featuring entertainer Don Embree, who joined us with his accordion and filled the room with music.

Residents truly enjoyed listening, singing along, and soaking in the lively atmosphere. The energy in the room was warm and uplifting, and it felt great to welcome the new year together with familiar faces, great music, and plenty of smiles.

It was a wonderful way to ring in 2026 and kick off the new year together with music, laughter, and great company here at Jackman Manor.
