Celebrating November

November is here, bringing cooler weather, cozy days, and plenty of special moments to look forward to at Jackman Manor!

We'll kick off the month with a special Diwali Lunch on November 6th, bringing residents and staff together to celebrate the Festival of Lights! Our Dietary Team will be serving butter chicken, Shahi paneer, cumin rice, roasted broccoli, and gulab jamun with vanilla ice cream. We'll also have samosas and mango lassi to enjoy during tea time!

Our monthly Bus Trip will take place on November 10th, followed by Remembrance Day on November 11th, as we honour those who have served and sacrificed for our country. We will have a special menu featuring beef shepherd's pie, sautéed mixed vegetables, and warm apple pie with whipped cream.

The celebrations continue with our November Birthday Party on November 19th! We're also looking forward to welcoming ACSS on November 24th for another visit with our residents.

November 25th marks Jackman Manor's anniversary. We're excited to celebrate another wonderful year of memories and community together!

We'll also be enjoying our monthly themed lunch on November 25th, featuring a French Bistro menu with chicken cordon bleu, creamy scalloped potatoes, sautéed green beans, crème brûlée-style custard, and non-alcoholic wine.

We'll finish off the month with a visit from BGMS on November 27th, along with our regular Diner's Club!

Families are always welcome to join us for our special events and meals! 💛

Introducing NuBite Denture Clinic!

We're happy to introduce NuBite Denture Clinic to our Jackman Manor community!

NuBite offers mobile denture services, allowing residents to receive personalized denture care in the comfort of their home. They provide complete and partial dentures, repairs, relines, and consultations.

They also accept the Canadian Dental Care Plan (CDCP) and most dental insurance plans, helping eligible residents access care based on their coverage.
